## BRANDING

We were excited to share our new logo at the AGM with our Members. After months of working with Roddis Communications, and lots of going back and forth we finally settled on a font-based logo following the inspiration of other professional female leagues such as the PWHL. Over the coming months we will be working on purchasing new jerseys and getting a new MWF Store created with newly branded swag. Our MWF Store with Nova

Trophy will be closing soon. Stay tuned for more details!

Thank you to Roddis Communications for creating our new logo and for working with us to create the perfect fit!

## AGM 2023

Thank you to everyone for attending our AGM this year. It was great to see so many Members coming out and supporting our association, this year we had 33 Members in-person and 60 Members on-line joining us. There was lots of discussion, and we appreciate the feedback. We'll be continuing these conversations as a Board to ensure we're addressing all concerns.
